

Pravasi Bhartiya Kendra

As you are all aware that Pravasi Bhartiya Kendra (PBK) was inaugurated by the Prime Minister on 2 October 2016 as a hub of engagement with the Diaspora. Located in the prime Chanakyapuri diplomatic area, New Delhi, PBK has now developed into a sought-after venue for major events taking place in Delhi.

The facilities available at PBK include an auditorium (capacity of over 300 persons), conference rooms (with different dimensions accommodating 20-35 persons), class rooms for training sessions/workshops, a Banquet Hall and a restaurant area (over 300 persons for buffet), and 24 guest rooms. A modern Museum on Mahatma Gandhi with significant level of digital character, and a Library comprising about three thousand titles with orientation towards the Diaspora-related subjects/themes/authorship, are other added attractions. PBK has a regular high-quality in-house catering service, and has engaged the services of well-trained hospitality personnel. Additionally outsourced agencies provide round-the-clock security and housekeeping/maintenance services.

PIOs with an OCI/PIO card can book the guest rooms directly by writing to PBK at email: reservation.pbk@mea.gov.in (phone nos.+91-11-24156400/24156430/24156405). Other facilities can be used after due recommendation of the Embassy of India, Addis Ababa. The facilities at PBK, excluding the Museum and the Library are accessible to all visitors free of charge. NRIs are not eligible for guest rooms, while use of other facilities by them could be considered on a case-to-case basis.

Embassy of India, Addis Ababa looks forward to your close association with PBK in order to realize its objectives.
